HITCHIN BOYS' SCHOOL
An Academy Trust

Dear Parent / Guardian

Motivational Speaker – Monday 13th November

We are very fortunate to have once again booked Dr Van Der Spoel to speak to students and parents; this follows the extremely positive feedback we received from everyone when he last visited us.

Dr Van Der Spoel uses activities and motivational stories to help students learn how they can study best according to brain research, developing a 'can do 'attitude, with practical and ready-to-use strategies. We believe this to be hugely beneficial to Year 10 and Year 11 students in preparing for their upcoming GCSEs.

As well as speaking to the boys during the day, there will be an opportunity for you to see and hear Dr Van Der Spoel's innovative strategies and ideas for yourself, so that you can support your son to implement them effectively at home.

The presentation for parents will be held in the Dining Room. It will begin at 6 pm on Monday 13th November and will last approximately one hour. Places are limited and will be allocated on a first-come, first-served basis.

If you would like to attend please reply by email to tlee@hitchinboys.co.uk, or by using the reply slip below.

We hope to see a lot of you there.
Yours sincerely

Miss R Oliva
