July 2023

Dear Year 11 Student

GCSE RESULTS AND START OF AUTUMN TERM 2023

1. GCSE results are out on Thursday 24th August. Please collect your results between 8.30am and 10.30am from the Sixth Form Centre. If you know you will not be available to collect your results on that day, you have two options:
 - a. Provide us with a stamped SAE and we will post you results to you. These envelopes need to be handed in to the sixth form office before the end of term.
 - b. Email us from your school account to confirm who will be collecting your results on your behalf. If we do not know this person, we will ask for ID to collect. Please send these emails to elewis@hitchinboys.co.uk

We do not currently have the facility to email results.

2. If we need to discuss your GCSE results, we will let you know when you collect them. If **you** wish to discuss your results, please wait to see a member of staff. If needed, re-mark forms can be picked up on the day or downloaded [here](#).
3. If you haven't applied to join HBS sixth form next year and are unsure of your options, then advice and support is available from Mrs Dare, our Careers Adviser.
4. If in any doubt, speak to Mrs Christou in school to discuss your situation. Mr Monks will also be available in school should you need any advice or support.
5. **Start of term (students staying on for Sixth Form): Tuesday 5th September 2023.** All Year 12 students must be in school **at 8.45am**. Meet in the 6th Form Common Room.

Yours sincerely

Mr M Monks
Deputy Head, Curriculum
