

HITCHIN BOYS' SCHOOL
An Academy Trust

21 May 2024

Dear Parent/Carer/Student

As part of the school's Personal, Social and Health Education programme, your child will soon receive workshops on relationships and sex education (RSE) delivered by the School of Sexuality Education.

The School of Sexuality Education will deliver age-appropriate and tailored workshops for Year 12 in line with the statutory guidance on RSE. The topics they will cover are:

- RECAP: what is contraception and how are STIs transmitted?
- Barrier methods: correct use.
- Managing our sexual health: understanding sexual health stigma and the impact.
- What is abortion care and busting myths.
- Accessing sexual health services: where, when, how it works.

The purpose of the workshops is to provide knowledge and understanding of safe and positive relationships based on love and respect.

The team at School of Sexuality Education pride themselves on being totally unembarrassable and strive to create a safe and non-judgemental environment for students to discuss any questions or concerns.

If you wish to view the materials covered during this session, you may do so via an online viewing session. If this is the case, please contact agriffiths@hitchinboys.co.uk by Friday 24th May.

Year 12 students will be off timetable on the morning of Wednesday 5th June. Students will be notified of the time and location prior to their session.

Yours sincerely,
