

HITCHIN BOYS' SCHOOL
An Academy Trust

20th June 2024

Dear Parents and Carers,

Over the last six months the school has been focusing on our key priorities for the next five years. The result is our new Hitchin Boys' School [Development Plan](#) We have taken time to consider what 'Striving for Excellence' looks like and in so doing produced a set of values for boys to aspire and a highly ambitious but exciting plan for 2024 - 2029. This is a shared vision, and I would like to thank the staff, boys, parents and trustees for their regular and well considered input, and feedback.

This higher-level document goes on to highlight ten key areas of focus where we will concentrate our thinking and our resources. We also understand that in an ever-changing world and with continued unpredictability on the horizon we will always look to adapt this plan to ensure this is taken into account. Our ten areas of focus are:

- Co Curricular
- Communications
- Community and Outreach
- Securing the Future
- Technology
- Pastoral Support
- Staff
- Teaching and Learning
- Sustainability
- The Next Chapter

We are now working on the detail behind these key areas to ensure we are able to achieve our objectives. All our individual plans within faculties, departments and key stages will reflect the direction in which we wish the school to progress. You will already see some changes taking place as we focus on the finer details and further information will be sent to parents regarding adaptations to our Behaviour plan and our drive to make Hitchin Boys' School genuinely phone free.

I hope you all enjoy reading the next chapter in Hitchin Boys' School's journey and I look forward to seeing many of you in the very near future.

Yours sincerely

Mr T.E. Bennett
Headteacher
