Dear Parents,

RE: GCSE Latin course

We are pleased to be able to offer your son the opportunity to study GCSE Latin in Years 10 and 11. This would run as an additional GCSE, and lessons would take place on Thursdays after school at Hitchin Girls' School. No previous knowledge of Latin is required, as this is an accelerated course which will run over two years. The aim would be for students to take the Latin exams at the end of Year 11.

Latin counts as a language at GCSE, and your child will also learn some original Roman literature and find out about the lives of the ancient Romans.

There is no cost to you or your child to do this course.

There will be an introductory assembly about this opportunity on Wednesday morning in registration, for any pupils who are interested. Attending this assembly does not commit you to having to do the course. After the assembly we will send out further details to those who attended, and a sign-up form.

If you have any questions regarding this, please do not hesitate to contact me.

Kind regards

Martin Monks
(Deputy Head - Curriculum)
