

PARTNERSHIP BETWEEN SCHOOL AND HOME

Together, Hitchin Boys' School and its community maintain the very best of our past, whilst also looking beyond the boundaries of traditional education, embracing change and creating an environment where boys strive to be Strong and True.

Vision

Striving for Excellence:

We want all our pupils to leave Hitchin Boys' School having had a rich and fulfilling experience that enables them to enter an ever-changing world being Strong and True.

We want them to leave as ambassadors for the future, embracing our core values to make a positive difference, leading and shaping the communities and world they encounter. We want them to have strength of character and a versatile and agile mind. Through this they will flourish.

Values

Our School Values are simple; a Hitchin Boy is Strong and True.

1. A Hitchin Boy has a strength of character, underpinned by compassion and kindness, that ensures he pursues meaningful relationships with a spirit of curiosity, respect, and empathy
2. A Hitchin Boy will have a strength of purpose and resolve, allowing him to stand up for what he believes in, to persevere and flourish in school, work, and life
3. A Hitchin Boy will be true to himself, understanding himself, the world and his duty to others
4. A Hitchin Boy will be true to others, acting wisely in a complex world, building a life of purpose, impact, and service.

Expectations

This partnership agreement will be reviewed whenever there is a significant change in related policies (e.g. behaviour, school rules, exclusion policies etc.)

The agreement is a commitment by the school and will also be digitally signed by parents/carers and the student themselves upon joining the school or if a significant revision is made. Each party agrees to follow these guidelines as far as possible and ensure that the very highest standards are upheld at all times. We respectfully require the partnership to be agreed to in its entirety for the benefit of our whole learning community.
