

Sixth Form Application Form

Hitchin Boys' School Admission Arrangements 2025/2026

- The School will admit to its Sixth Form any student of the appropriate age with an EHCP that names the school.
- The school will admit up to 30 external students to its Sixth Form.
- Minimum academic entry requirements are 5 Grade 9-4 GCSE passes including English and Maths at Grade 4 or above. Some subjects will have additional entry requirements as set out in the Sixth Form Prospectus and all have a recommended GCSE Average Points Score (APS).

If the school is oversubscribed, priority will first be given to:

- i) Children looked after or previously looked after, including those who appear (to the admission authority) to have been in state care outside of England, and ceased to be in state care as a result of being adopted or became subject to a child arrangements order or a special guardianship order.
- ii) Children for whom it is their nearest Hertfordshire maintained school or academy that is non-faith and non-partially selective and makes provision for children of the relevant gender
- iii) Distance (if two applicants have the same home-school distance both shall be admitted)

Sixth form admissions appeals will be heard by an independent panel arranged by the Trustees. Submissions to the Chair of Trustees can be made via post, telephone or emailing the school (admin@hitchinboys.co.uk)
