

### **Disclosure of salaries in excess of £100,000 – 2022/23**

In accordance with the Academy Trust Handbook 2022, the Academy is required to publish salary information on any employee earning over £100,000 for the previous year on an annual basis. The relevant requirement is summarised below:

#### ***Academy Trust Handbook 2022 - Publication of executive pay***

*2.32: The trust must publish on its website in a separate readily accessible form the number of employees whose benefits exceeded £100k, in £10k bandings, for the previous year ended 31 August. Benefits for this purpose include salary, employers' pension contributions, other taxable benefits and termination payments. Trusts may wish to display this information in a tabular form showing in each column salary, pension etc. Where the academy trust has entered into an off-payroll arrangement with someone who is not an employee, the amount paid by the trust for that person's work for the trust must also be included in the website disclosure where payment exceeds £100k as if they were an employee.*
