PRIVACY NOTICE FOR PARENTS / CARERS OF PUPILS ATTENDING Hitchin Boys' School

Hitchin Boys' School collects data and information about parents / carers of our pupils so that we can operate effectively as a school. This privacy notice explains how and why we collect parent / carer data, what we do with it and what rights parents have.

The term "parent" is widely defined in education law to include the natural or adoptive parents (regardless of whether parents are or were married, whether a father is named on a birth certificate or has parental responsibility for the pupil, with whom the pupil lives or whether the pupil has contact with that parent), and also includes non-parents who have parental responsibility for the pupil, or with whom the pupil lives. It is therefore possible for a pupil to have several "parents" for the purposes of education law. This privacy notice also covers other members of pupils' families who we may process data about from time to time, including, for example, siblings, aunts and uncles and grandparents.

Privacy Notice (How we use parent / carer information)

Hitchin Boys' School is a Secondary academy trust. Our Data Protection Officer can be contacted on the school phone number or by email (dpo@hitchinboys.co.uk)

Why do we collect and use parent / carer information?

We collect and use parent / carer information under the UK General Data Protection Regulation (UK GDPR):

- d. where it is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the controller (Article 6 (e)).
- e. where processing is necessary for the purposes of the legitimate interests pursued by the controller or by a third party (Article 6 (f)).

Where the personal data we collect about parents / carers is sensitive (i.e. special category) personal data, we will only process it where:

- a. we have explicit consent [Article 9 (2)(a)];

- b. processing is necessary to protect the vital interests of the data subject or of another natural person where the data subject is physically or legally incapable of giving consent [Article 9 (2)(c)]; and / or
- c. processing is necessary for reasons of substantial public interest, and is authorised by UK law (see section 10 of the 2018 Data Protection Act) [Article 9 (2)(g)].

Please see our Data Protection Policy for a definition of sensitive personal data.

We use the parent / carer data to support our functions of running a school, in particular:

- a. to decide who to admit to the school;
- b. to support pupil learning;
- c. to monitor and report on pupil progress;
- d. to provide appropriate pastoral care;

The categories of parent / carer information that we collect, hold and share include:

- a. Personal information (such as name, address, telephone number and email address);
- b. Information relating to your identity, marital status, employment status, religion, ethnicity, language, medical conditions, nationality, country of birth and free school meal / pupil premium eligibility / entitlement to certain benefits, information about court orders in place affecting parenting arrangements for pupils);

This information is not routinely collected about parents / carers and is only likely to be processed by the school in specific circumstances relating to particular pupils, for example, if a child protection issue arises or if a parent / carer is involved in a criminal matter. Where appropriate, such information may be shared with external agencies such as the child protection team at the Local Authority, the Local Authority Designated Officer and / or the Police. Such

information will only be processed to the extent that it is lawful to do so and appropriate measures will be taken to keep the data secure.

We collect information about parents / carers before pupils join the school and update it during pupils' time on the roll as and when new information is acquired.

Collecting parent / carer information

Whilst the majority of information about parents / carers provided to us is mandatory, some of it is provided to us on a voluntary basis. In order to comply with the UK General Data Protection Regulation (UK GDPR), we will inform you whether you are required to provide certain parent / carer information to us or if you have a choice in this. Where appropriate, we will ask parents / carers for consent to process personal data where there is no other lawful basis for processing it. Parents / carers may withdraw consent given in these circumstances at any time.

In addition, the School also uses CCTV cameras around the school site for security purposes and for the protection of staff and pupils. CCTV footage may be referred to during the course of disciplinary procedures (for staff or pupils) or investigate other issues. CCTV footage involving parents / carers will only be processed to the extent that it is lawful to do so. Please see our CCTV policy for more details.

Storing parent / carer data

We hold your data securely and have appropriate security measures in place to prevent personal information from being accidentally lost, or used or accessed in an unauthorised way. Access to information is limited to those who have a business need to know it and who are subject to a duty of confidentiality. A significant amount of personal data is stored electronically, for example, on our MIS database. Some information may also be stored in hard copy format.

Data stored electronically may be saved on a Google Drive based system which may be hosted in a different country.

Personal data may be transferred to other countries if, for example, we are arranging a school trip to a different country. Appropriate steps will be taken to keep the data secure.

We also have procedures in place to deal with any suspected data security breach. We will notify you and any applicable regulator of a suspected data security breach involving your data where we are legally required to do so.

We will only retain your personal information for as long as necessary to fulfil the purposes we collected it for, including for the purposes of satisfying any legal, accounting, insurance or

reporting requirements. Details of retention periods for different aspects of your personal information are available in our Data Retention Policy which is available from our School website, www.hbs.herts.sch.uk. To determine the appropriate retention period for personal data, we consider the amount, nature, and sensitivity of the personal data, the potential risk of harm from unauthorised use or disclosure of your personal data, the purposes for which we process your personal data and whether we can achieve those purposes through other means, and the applicable legal requirements.

In some circumstances we may anonymise your personal information so that it can no longer be associated with you, in which case we may use such information without further notice to you. Once you are no longer a parent / carer we will retain and securely destroy your personal information in accordance with applicable laws and regulations.

Requesting access to your personal data

Under data protection legislation, parents / carers have the right to request access to information about them that we hold ("Subject Access Request"). To make a request for your child's personal data, or be given access to your child's educational record, contact Mr Rayner, although any written request for personal data will be treated as a Subject Access Request.

The legal timescales for the School to respond to a Subject Access Request is one calendar month. As the School has limited staff resources outside of term time, we encourage parents / carers to submit Subject Access Requests during term time and to avoid sending a request during periods when the School is closed or is about to close for the holidays where possible. This will assist us in responding to your request as promptly as possible.

No fee usually required

You will not have to pay a fee to access your personal information (or to exercise any of the other rights). However, we may charge a reasonable fee if your request for access is manifestly unfounded or excessive. Alternatively, we may refuse to comply with the request in such circumstances.

What we may need from you

We may need to request specific information from you to help us confirm your identity and ensure your right to access the information (or to exercise any of your other rights). This is another appropriate security measure to ensure that personal information is not disclosed to any person who has no right to receive it.

You also have the right to:

- object to processing of personal data that is likely to cause, or is causing, damage or distress;

- prevent processing for the purpose of direct marketing;
- object to decisions being taken by automated means;
- in certain circumstances, have inaccurate personal data rectified, blocked, erased or destroyed; and
- claim compensation for damages caused by a breach of our data protection responsibilities.

We will always seek to comply with any requests regarding your rights, however please note that we may still be required to hold or use your information to comply with legal duties.

For further information about your rights, including the circumstances in which they apply, see the [guidance](#) from the Information Commissioner's Office (ICO) on individuals' rights under the UK GDPR.

RIGHT TO WITHDRAW CONSENT

In the limited circumstances where you may have provided your consent to the collection, processing and transfer of your personal information for a specific purpose, you have the right to withdraw your consent for that specific processing at any time. To withdraw your consent, please contact Mrs Tyler, our Data Manager. Once we have received notification that you have withdrawn your consent, we will no longer process your information for the purpose or purposes you originally agreed to, unless we have another legitimate basis for doing so in law.
